We would like to offer you a wonderful business opportunity. Spin Caffé's coffees are now available wholesale for you to serve in your own business. Spin Caffé uses only the highest quality high-altitude, hand-picked, **100% Arabica** coffee beans. We roast our coffees with a unique high-tech two stage process that guarantees a perfect roast every time. We roast coffee almost everyday so you are guaranteed that the coffee you get from us is the freshest possible.

NAME	DESCRIPTION	ROAST
BISTRO BLEND	A very unique blend of a light roast with a medium roast coffee. Very smooth and flavorful. One of our best sellers.	Mixed (Light and Med)
BRAZILIAN Cerrado	The highest grade of Brazil's famous coffee. Cerrado is lively and flavorful with a very smooth, sweet taste.	Medium
CAFFÉ DEL SOL ESPRESSO BLEND	Used in our own espresso drinks. Mild, lyrical, with many high notes. Fruity flavor and creamy body.	Medium
CAFFÉ LUNA BLEND	Our darkest (but never over-roasted) coffee. A superb blend of South American coffees exhibiting intense strength while being a bit lighter than other french roasts.	Dark
COLUMBIAN Supremo	Probably the most recognizable and popular coffee in the world. It possesses a rich snappy acidity, rich flavor and aroma and finishes with a strong body. This is the highest grade of all Columbian coffees.	Medium
COSTA RICAN Royal Tarrazu	This coffee is prized for it's high acidity, excellent body, flowery aroma, and full complex flavor.	Light
ETHIOPIAN Yirgacheffe	This African coffee is has a lean, muscular body, a rich, heavy flavor and an earthy aroma. The cadillac of coffees!	Medium
HIGH FALLS BLEND	A robust South American coffee blend roasted lightly to give a distinct taste and a bright finish. A simple blend that's great in the morning.	Light
MEXICAN Altura	Delightfully light-bodied with a slight nutty taste flavor and just enough acidity.	Light
NOVELLA DECAF - BLEND	All the flavor without the caffeine. Used for Spin's decaf espresso drinks, but also an outstanding drip coffee.	Light
PARK AVENUE BLEND	A complex blend of South American and African coffees. Very rich and full bodied. A deeply satisfying cup with a lingering aftertaste.	Dark
HOUSE DECAF BLEND	Our standard decaf blend. Our customers rave that it is indistinguishable from regular coffee.	Dark
